## **Y6 SATs 2018** **Revision Booster Clubs**

Dear Parents & Carers,

The end of Key Stage 2 tests (commonly known as SATs!), are fast approaching and your child will be sitting them **14<sup>th</sup> to 17<sup>th</sup> May** this year. From next week, we will be commencing additional out of hours revision 'booster' clubs. This is an opportunity for your child to receive regular, free extra tuition, which will comprise of small group and 1:1 sessions.

The clubs will be held after school each day, Monday to Thursday, **2.50p.m - 3.50p.m**, beginning **15<sup>th</sup> January** and run until after the Easter break. The final sessions will take place week ending 11<sup>th</sup> May.

Rather than simply be general revision, these sessions will be targeted to address the specific needs & 'gaps in learning' your child may have. Ongoing marking, assessment & question level analysis of children's work by the Y6 team will identify the focus of each booster group. For example, some sessions may focus specifically on areas such as simplifying fractions in Maths, calculating the area of compound shapes or inference of English texts, use of complex sentences in writing etc. As such, these sessions may change from week to week to ensure that all of the areas your child needs help to improve can be covered. We would also like to ensure that children are not invited to sessions covering areas in which they are already secure, so that they do not get bored or 'burn out' before the tests in May. Our plan therefore, is to issue a simple slip each Friday that will indicate which sessions they are attending the following week. This may be 1, 2, 3 or all 4 sessions, dependent upon need and the areas being covered.

We strongly recommend that you take up the offer of these clubs and ensure that that your child attends please. In order to enable them to take part, please complete the slip below to agree to support your child in their SATs preparation and give permission for them to join the booster clubs. *It would be great if all slips were returned tomorrow please, then the first week's invites will be sent out same day!*

More information will be coming out over the next few weeks regarding SATs preparation & top tips to help at home. There will also be the opportunity to purchase Maths & English revision work books at a discounted price- details to follow! In the meantime, should there be any further queries or questions regarding the sessions, please get in touch with a member of the Y6 team, Assistant Head Mrs Wright, or myself.

Our thanks in advance of your support.

Yours sincerely,

Mr P. Rust  
Head Teacher
